- This action amends 24 sections of the California Department of Corrections and Rehabilitation CCR (Title 15), Division 3 for the purpose of updating current regulatory text and definitions primarily related to the CDCR, Division of Adult Parole Operations (DAPO).
- These proposed regulations update current language for the purpose of correction, and to accurately reflect the changes that have occurred within the Department due to the 2005 reorganization as directed by Senate Bill 737 (2005/2006 session). These proposed changes include, but are not limited to, name changes to individual units, titles, and positions. In addition, for the purpose of clarifying current language and to meet departmental standards, definitions of various terms focusing on the parole and the parole revocation process, have been amended or added. These changes will help to enhance the department's ability to supervise parolees, which in turn will assist in a more successful reintegration back into the community.
- The reference to the CDC Form 163, Certificate of Discharge, has been changed due to the revision of the form. The acronym "CDC" is replaced with "CDCR." In addition, the revision date of (Rev. 7/92) has been changed to reflect the current version (Rev. 10/06), so the revised form now reads, CDCR Form 163 (Rev. 10/06), Certificate of Discharge, which is incorporated by reference into the regulations. Changes to the form includes adding reference and explanation to Penal Code Sections 4852 and 4853, voter registration, and the latest updated telephone numbers to the DAPO Regional Parole Offices.
